Dear Sofia,

Sofia Konstantinidou Inspiration Box LLC

I would like to thank you for your donation of 24.000 THB (Thai Baht) and coloring books and crayons for the children from your *Hello World Kongress* to Cambodian Kids Care Center on Koh Chang.

Cambodian workers make up around 70% of the service and construction workers on the beautiful island of Koh Chang, Thailand. Some of these workers do not yet have their work papers and this means that their children cannot attend Thai schools. Without Cambodian Kids Care Center, children aged 4 - 16 years are left in the tin and plastic-sheet huts they call home for up to 10 hours alone or taken along to construction sites or other dangerous work places. Cambodian Kids Care Centertransports these children to and from school, we feed them a hot meal every day and we give them a chance to break the poverty cycle by giving them an education.

Cambodian Kids Care Center provides a safe, nurturing environment, food and schooling to 50 children on Koh Chang and funding is entirely through donations. Your contribution will cover one year of rent of our center.

Thank you,

Apipanpong Ubonmuang

Director of Cambodian Kids Care Center
